WHP	4

Options with application

Schedule

Submission: Friday of the first week of the fall semester
23.09.2022 until 23:59

Selection: During the week after the submission

[Application form](#)

Some advantages

- No **predetermined** study plan ⇔ part-time work
- Study in **small groups** with direct, fast and privileged contact with supervisors.
- **Bilingual** university with students and supervisors from different countries, as well as invited international speakers.
- **Support** for your future academic or clinical career (advice, relationship, networking, contact with professionals)

Some advantages

- **Conviviality** and **friendly** atmosphere
- Access to both French and German speaking cultures and social life due to Fribourg special situation
- **Cheap** living costs
- Opportunity to **begin during the spring semester (SP)**
- Max duration of master's studies: 6 years (3y in UniGE and UniL)
