Departure

According to plan, I should meet you at the meeting point. If anything goes wrong, I might give you some advice through whatsapp or by text message.

Your Weather

At our seminar location, the weather is forecast to be a bit cloudy, with a low risk of showers on friday. Temperatures will be between 13 and 17 degrees °C.

Further practical information

Your hotel rates do not include Breakfast. At the seminar location, there should be several options available to suit most tastes.

We will mostly be in urban surroundings.

There are no specific luggage allowances for the trip from Barcelona to the seminar location.

Please check your travel insurance beforehand and take your medical insurance card with you (and of course any medication you will need during the trip).

In many european countries more attention should be given to personal belongings than in Switzerland, particularly in crowded places or on public transport.

Your presentations

Your presentations should be ready once we meet in the seminar room (which will be on Saturday). They should be approximately 10 minutes, not more than 15 minutes to allow sufficient time for discussion.

If you would like to show powerpoint slides, please bring them on a USB device. The room will be set up with a projector.
